Equipment Exchange, Sale or Give Away Program

Does your system, city or town have old equipment sitting around taking up space? If you would like to list it on an equipment exchange, ad for sale or give away list, please send a description of the equipment and cost to MsRWA. We will put on the website and in the magazine.

If you have any kind of classified ad that needs to be published in our magazine or on the website, send it to msrwa@msrwa.org.

We are here to assist you in any way that we can.

"Systems Helping Systems"

If you want more information on this program please call us at 1.601.857.2433.
